*Where no light has gone before.*

UNC Women's Carmichael Arena Locker Room – Chapel Hill, NC | Gensler

JLC-Tech's T-BAR FLEX® is an architecturally integrated LED lighting solution that enables you to transform your ceiling with shapes and light. Designed to integrate into the DESIGNFlex® Ceiling System by Armstrong® World Industries, this innovative lighting solution utilizes JLC-Tech's patented technology by replacing the cross tees in a suspended ceiling to create unique lighting layouts.
